## NEED STATEMENT: COMPREHENSIVE WORK TRAINING (CWT) INSTITUTE

**DESCRIPTION:** In January of 2014, Faith Farm Ministries implemented a new program for our students as a component of their “Work Training” during their 9 month recovery program. This is one of several programs that will help Faith Farm’s efforts towards being a “National Model” for substance abuse recovery programs.

Every Monday evening across 3 campuses, the residents of Faith Farm Ministries participate in training modules independent of each other within a CWT skill. The skills are based on trades that Faith Farm performs on a daily basis that are marketable in our communities. The independent modules allow for students to begin their job training upon arrival at Faith Farm, without having to wait for a new class to form. The student can obtain up to 3 CWT certificates and have the ability to be a CWT instructor during the 9 month program. The certifications are résumé-worthy upon completion. The Final Exam passing grade for all CWT skills is 90%.

Currently there are 14 CWT Skills: New Furniture Sales, Salvage, Auto Repair, Dairy Calves, Cattle & Groves, Appliance Repair, Trucks & Dock, Call Center, Food Service, Janitorial Service, Landscape Maintenance, Facility Maintenance, Security and Basic Computer Skills.

**BENEFIT:** To provide basic and advanced job training for all students during the 9 month, free, residential substance abuse program. CWT provides classroom and “hands on” components.
