NEED STATEMENT: COMPREHENSIVE WORK TRAINING (CWT) INSTITUTE

DESCRIPTION: In January of 2014, **with Ashley Furniture's help**, Faith Farm Ministries implemented a new vocational institute for our "students" as a component of their "Work Training" during their 10-month free residential recovery program. This is one of several programs that we believe make us a "National Model" for substance abuse recovery programs.

The skills are based on trades that Faith Farm performs on a daily basis that are marketable vocations. Independent instruction modules allow for students to begin their job training upon arrival at Faith Farm without having to wait for a new class to form. A student can normally obtain up to 3 CWT certificates and have the ability to be a CWT instructor during the 9 month program. The certifications are résumé-worthy upon completion. The Final Exam passing grade for all CWT skills is 90%.

Currently there are 16 CWT Skills: **New Furniture Sales**, Salvage, Auto Repair, Dairy Calves, Cattle & Groves, Appliance Repair, Trucks & Dock, Call Center, Food Service, Janitorial Service, Landscape Maintenance, Facility Maintenance, Security, Christian Worker, Basic Computer Skills and Advanced Computer Skills. Students can also earn a CWT Instructor's Certificate in any of the 16 CWT Skills.
