NEED STATEMENT: BIBLES FOR EDUCATION/CURRICULUM

DESCRIPTION: Faith Farm Ministries has developed a model for success for every individual who enters our program. Within that model is an educational curriculum which enhances the lives of our residents or students and offers several tools and skills to help them during their recovery and prepare them for re-entry into society. One of the key study tools from the start of Phase 1 to Graduation and beyond is a Celebrate Recovery Bible. In Phases 1 - 4 the Celebrate Recovery Study Participant Guides are used in support. The ten-month curriculum is also accredited by South Florida Bible College and Theological Seminary for 9 college credits. Two of the three college classes, *Relational Ministry* and *How to Study the Bible* classes, rely heavily on the Bible as a text book. To date our curriculum is the only known college accredited addiction recovery program. Faith Farm Ministries requires approximately 600 Bibles each year corresponding to our annual students attending the program.

BENEFIT: We are committed to educating our students' lives in order for them to continue a restored life of and be successful when they graduate our program. Our curriculum contains courses such as: Anger Management, The Alpha Series, Conquer Series, Lies Women Believe, The Search for Significance, Daily Moral Inventory, Inner Healing, Power to Love, and more. These classes are all supported by the student's own Celebrate Recovery Bible.

ANNUAL COSTS: \$14,000 (\$7,000 for Celebrate Recovery Bibles and \$7,000 for Participant Guides)
