NEED STATEMENT: BOYNTON BEACH CAMPUS CHURCH & CLASSROOM EXPANSION

DESCRIPTION: The Boynton Beach Campus Church will be expanded in support of the increase of program residents, staff, and their families. Our existing church has the capacity to seat a maximum of 300 persons. We are currently experiencing overcrowding during graduation ceremonies, as it is becoming increasingly difficult to provide enough seating for all persons in attendance. A 15,000-18,000 square foot addition is planned. This expansion will also include an additional 21 academic classrooms (14 for the men's and 7 for the women's programs).

BENEFIT: Expansion of the existing church and classrooms will increase the maximum occupancy to 500 persons. This will accommodate morning chapel services for program residents, graduation ceremonies, specialized classes, children's church, family visitation area, fellowship hall events, and special services such as weddings, funerals, and holiday gatherings. The expanded classrooms will create an academic and vocational school in one consolidated campus location.
