NEED STATEMENT: NEW BOYNTON BEACH CAMPUS DINING FACILITY

DESCRIPTION: Faith Farm Ministries Boynton Beach campus serves over 600 men and women every year who are battling to overcome their addictions to drugs and alcohol. During the 10-12 month program, all of our students' needs are met at no cost to the student. This includes food, shelter and clothing. Meals are served three times daily, 7 days a week. Our students have access to a fresh salad bar, fruit, soups, desserts, bread, and more as they make their way through the "chow line." Our current dining facility can only seat approximately 120 people, and we are in need of a new dining facility to accommodate our expanding campus.

BENEFIT: Most of our students need improved nourishment. We want to provide quality nutritious food for the best physical healing that promotes the overall regeneration of mind, body and spirit. A new dining facility will provide a substantial increase in available room by seating up to 300 people. An expanded walk-in freezer and refrigeration will allow us to store more perishable donations and preserve healthier foods. New and increased oven capability will allow more baking versus frying and a healthier meal plan for our students. Separate salad bar, dessert bar and multiple beverage stations to compliment multiple serving lines will minimize resident wait time.
