NEED STATEMENT: NEW BOYNTON BEACH MEN'S FACILITY

DESCRIPTION: Faith Farm Ministries needs a new men's dormitory for our free 10-month residential recovery program at our Boynton Beach campus. To meet the ever increasing need for addiction recovery, the new 29,000 Square foot one story dormitory will have the capacity to hold up to 200 men.

BENEFIT: Faith Farm Ministries has been serving men since its founder Rev. Garland "Pappy" Eastham established the faith-based ministry in 1951. For over the last 63 years thousands of lives have been saved and restored through our regeneration program. Graduates from our program have gone on to live successful lives and integrate back into society. It is our mission for these men to receive the most our program has to offer, including work experience, education, counseling, and leadership training in order to overcome their addictions, transform their lives, and return home and to their families as better husbands, fathers, and sons.
